“Moving forward with faith”  
John 6:1-13

Every great miracle in the Bible began with an impossible situation.

Steps to a miracle:

1. Miracles begin with an awareness of need

Principle: Blessing brings with it a new need

2. Miracles often involved a major test of faith

What is the nature of God’s test?

1. Continuing to trust in God in difficult times
  2. Continuing to believe in God’s direction
3. Miracles are based on different calculations than ours
  4. Miracles require our participation

Closing thoughts:

1. God reduces our resources
2. God magnifies our need
3. Someone trusts God with what little they have
4. God uses the little we have to show how great He is.
